Dear WEATHERCRAFT OF NORTH PLATTE:

Throughout 2021, this firm has earned a spot as one of the most elite contractors in the nation thanks to a commitment to long-term roofing system performance and high quality workmanship. Therefore, Firestone Building Products is pleased to present WEATHERCRAFT OF NORTH PLATTE with the 2022 Master Contractor and Inner Circle of Quality awards, which are among the commercial roofing industry's most distinguished honors.

The annual Master Contractor Program honors top Firestone Building Products Red Shield™ Licensed Roofing Contractors for excellence in roofing system installation, quality of work and customer service.

WEATHERCRAFT OF NORTH PLATTE has achieved this designation by meeting requirements for total square footage installed; outstanding inspection ratings on materials covered by the Red Shield™ Warranty; and the number of completed Red Shield warranted jobs.

WEATHERCRAFT OF NORTH PLATTE also earned the esteemed Firestone Building Products Inner Circle of Quality award. The Inner Circle of Quality award recognizes an elite group of Master Contractors who installed a minimum of eight warranted Firestone Building Products roofing systems in each of the past five years. They were also required to maintain at least 2 million square feet of Firestone Building Products roofs under warranty and achieve an annual Quality Incidence Rating (QIR) of 1.0 or less.

The firm has Nebraska offices in Scottsbluff, Sidney, Ogallala, McCook, Lexington, Broken Bow and Grand Island (Duff Roofing); Kansas offices in Goodland and Garden City; a Colorado office in Brush; a Wyoming office in Cheyenne, and a South Dakota office in Chamberlain.

On behalf of Firestone Building Products, I congratulate WEATHERCRAFT OF NORTH PLATTE on a successful 2021.
